

How to find articles for Dr. Wallace's article review assignments

1. Go to the library website at <http://www.judsonu.edu/library>
2. Click on *Find Journals by Title*
3. Click on the circle next to *Starts with*
4. Type the title of the journal into the search box (*Biblical Theology Bulletin, Catholic Biblical Quarterly, Journal of Biblical Literature, or Journal for the Student of the Old Testament*)
5. Click *Go*
6. Click on the journal's title in the results list
7. Click on one of the *Full text available via* links (preferably for an EBSCO database)
8. Login with your library ID number if you are off-campus
9. Click *Search within this publication*
10. The title of the journal will be in the first search box. Type the name of the book of the Bible that you're studying in the second search box.
11. Next to the third search box, choose *NOT* from the drop-down menu
12. Type *reviews* in the third search box
13. Check the box next to *Full-text*
14. Limit by published date, if desired
15. Click *Search*
